Description

Authentic Spanish TownHouse for sale on the ground floor with a private garden and parking in the Old Town of Jávea.

Not to be missed! This property is waiting to be sold and turned into a lovely home with all commodities. There are not many of these Gems left with a spectacular private outside area!

The house is located in the Old Town of Javea in a small complex with a total of 4 neighbours. There are 3 bathrooms and 1 bathroom, a large living room and a large dining room with a fireplace adjacent to the kitchen. From the kitchen, the terrace is reached and from here leads stairs to the private enclosed courtyard/garden. Here you find several rooms that can be used as storage or turned into a studio/utility area/hobby area or anything else! It is suprising to see how much space there is and what you can actually do with it!

In the courtyard is a covered terrace area with water and electric connections.

I can hardly recommend to come to view this potential Town House before it is gone!

The garden can be entered from the rear by car.
