Description

Innovative and exclusive project of 12 independent villas with their own pool and garden, in a private urbanization located in one of the most exclusive areas of the Costa Blanca, Alfaz del Pi. A unique, familiar and natural environment in a privileged area close to all the necessary services to offer you tranquility and well-being. With a unique design due to its wooden surround, with straight and Mediterranean lines, they give it the warmth and harmony necessary to feel part of it while optimizing resources, making the villas sustainable and efficient spaces. Very close to the villas is the urban center of Alfaz del Pi, we can also find two prestigious Norwegian educational centers as well

as a Scandinavian club.

The homes are highly energy efficient, offering greater thermal and acoustic insulation, while maintaining the quality of the air inside the home and providing ideal lighting. The materials used in its manufacture are of high quality, durability and resistant to fire and humidity.

Sustainability, quality and design go hand in hand in a project designed today to take care of tomorrow. Open spaces full of luminosity, great spaciousness and without visual architectural barriers, provide a vision of infinite space. Large windows with direct access to the pool and garden area. Kitchen open to the living room making the space the ideal place to share with family and friends. High-quality kitchen furniture, with porcelain countertops and equipped with maximum energy-efficient appliances...
