Description

Sounds like an amazing place! Albir is known for its beauty and tranquility. Having a chalet with those features, such as an equipped kitchen, billiard room, sauna, jacuzzi, and a lagoon-shaped saltwater pool with waterfall and underwater loungers, sounds like the perfect place to relax and enjoy.

The quiet location and spectacular views are definitely plus points. In addition, being close to all the services in the area makes it easier to access what you may need.

Is there anything specific about the chalet that you would like to know or discuss? We wait for your call
