Exceptional 4/6 Bedroom Villas with Sea Views in Guardamar

Exceptional villas with 3 different layouts offering 4/6 bedrooms, a large garage and private pool with panoramic sea views. The villas offer between 170m² – 320m² of luxurious spacious living, with sun terraces of 95m² – 200m².

Completion December 2020

Villa Decea: Uniquely designed 4 bedroom villas with fantastic sea views. All with spacious bedrooms and 4 fully fitted bathrooms one of which is en-suite. The villa enjoys an open plan loft style layout with large patio doors which

lead directly to the terrace and private pool. Access to the separate double garage is direct from the property. Villa Nomos: Exquisite one of a kind detached villa offering spectacular sea views. The flexible layout allows you to have from between 4 and 6 bedrooms. An exceptional home with 4 spacious terraces and a magnificent private pool. Villa Nomos has it all, large kitchen, dining area, ample storage space, double garage and private elevator. The development is located in natural surroundings only a short walk from Guardamar's long stretch of beautiful sandy beaches, and offers an exceptional communal area with a large pool and beautiful gardens. In addition, a parking space is included for each unit with optional storage room. The excellent location of the development provides easy access to the village of Guardamar where you can find all services and amenities all year round...
