Description

It is a pleasure to offer you this lovely project, an ensemble of 15 moderne standalone villas nestled near the town of Finestrat.. . This enclave seamlessly merges comfort, tranquility, and unparalleled panoramas for refined living. Each villa exudes autonomy, granting residents a haven of serenity amidst the captivating backdrop of Costa del Blanca's scenery.. . Strategically positioned atop the Balcón de Finestrat, these residences offer you wonderful vistas that extend over the Mediterranean Sea and the charming allure of Finestrat town. Far from being just pleasing, the location serves as a haven of peace, offering solace and tranquility to those seeking refuge from bustling tourist hubs..

. The design philosophy of these villas revolves around cultivating an atmosphere of tranquility. With meticulous attention to detail, each villa's layout delineates distinct areas for daytime pursuits and nighttime repose. Whether luxuriating in the sunlit serenity of the day or retreating to the cozy comfort of the evening, residents find themselves enveloped in an ambiance conducive to inner peace.. . The appeal of Finestrat extends far beyond the boundaries of this área where these villas will be built. The surrounding area has many essential amenities for contemporary living. From easily accessible supermarkets and medical facilities to an array of dining establishments, Sport center, Golfcourses etcetera..... every convenience is within arm's reach.....
